Evonic Electric Fireplaces

Established in Stratford-upon-Avon in 2005, Evonic Fires has become renowned for redefining the possibilities of electric fireplace design. Combining advanced technology with contemporary styling, the Black Edition range showcases British craftsmanship at its finest. With an array of sleek forms, sizes, and flame effects, each model is designed to complement modern interiors while creating a striking focal point.

An Evonic fire offers more than warmth - it adds atmosphere, elegance and a sense of design-led comfort to any living space.

Volante Black Edition Range

The Volante Black Edition range combines cutting-edge LED technology with refined design to deliver an exceptionally realistic and contemporary flame effect. Each fire is crafted to create a striking focal point, with flames enhanced by a sleek black rear screen and a hand-finished Cotswold log fuel bed. The result is a visually captivating display that brings both warmth and atmosphere to any interior.

Ideal Applications

- Apartment
- Residential spaces
- Commercial spaces
- Restaurants
- New construction or renovations
