- ✓ Most quiet and reliable components in the industry

Tru View Range

Tru View Bespoke

The combination possibilities are endless:

The Tru View Bespoke features customisable installation and connectable units for a grand masterpiece.

Available in sizes 45", 65" and 85", it is possible to create the size you want by simply placing 2, 3 or more units together to fit required width. This increases the size of the fire and also the heat output.

Any of the units can be combined, providing endless possibilities.

45+45 = 90 (229cm)
45+65 = 110 (280cm)
45+85 = 130 (330cm)
45+45+45 = 135 (343cm)
65+85 = 150 (381cm)
85+85 = 170 (432cm)
65+65+65 = 195 (495cm)
85+85+85 = 255 (648cm)

Symmetry Range

Symmetry Bespoke

Our Symmetry Bespoke series is more than an ordinary fireplace; it is a well-designed fireplace, unique, as it combines classic form with a modern interpretation. One of its unique features is the included thermostatic remote. It can be set and programmed (daily & weekly) for any temperature at any time you want. More controls are available using the WiFi app.

Traditional Bespoke

Traditional Bespoke is a new interpretation of the classic fireplace with emphasis on superb design, features and quality. Choose your flame colors and effects using the latest technology, and rely on the optional log set to create a realistic look. Inside the fireplace, a powerful heater warms up your space of up to 40 m^2. Concealed heater vents above the glass allows for a truly clean appearance.
